Madriu-Perafita-Claror Valley,
World Heritage Site since 2004

Andorra - a shopper's paradise nestled between France and Spain. And yet there's so much more for older and younger visitors to enjoy - at the mountain- biking, climbing, family rambles, pony treks and golf, the "Tobotronc" which is the world's longest slide. There is fun for the whole family! But in Andorra you will also be able to immerse yourself in a unique cultural heritage, boasting extraordinary examples of the Romanesque art and architecture. And you won't want to miss the magnificent Madriu-Perafita-Claror Valley, a UNESCO World Heritage Site which occupies the 10% of the country's total area. After your adventures, there is nothing better than a delicious meal in one of our many restaurants or in a traditional Andorran borda. Then, relax in the delightful thermal spa at Caldea, or in any of our spa hotels.
